

INTEGRATED VIVARIUM SERVICES

IVS Vivarium Housing Facilities

Effective July 1st, 2025

Note: per diem rates cover general husbandry costs. These costs include:

- * A standard daily species specific maintenance diet and/or breeding diet, bedding, and housing.
- * Daily animal health checks and care, cage/pen/tank changing, equipment and facility washing and sanitizing.
- * Bedding to meet the requirements of the type of animal and holding unit.
- * Animal care supplies used in the immediate animal holding area (cleaning materials, disinfectants, etc.)
- * Vehicles used for daily needs of animal care and transportation of husbandry supplies.
- * Standard personal protective clothing and supplies used by animal care personnel.
- * General operating expenses for animal care staff, including salaries of animal care personnel, office supplies and communication expenses.
- * Expenses for items and services not included in the rates will be recharged to the research projects.
- * Rodent with litter rate is assessed when vivarium staff is providing breeding management.
- * Researchers providing their own breeding management will be charged the standard rate.
- * Vivarium staff services for weaning or overcrowded cages in PI managed cages will be charged out as tech time.

Please note:

There is no WSU administrative surcharge (8%) charged for the care of animals housed in any IVS facility from any WSU college budgets.

Questions regarding standard husbandry practices, animal care and services should be directed to the facility manager or Assistant Director.

IVS South: ADBF, Bustad, Eastlick, and 188E

509 335-4199

IVS North: BLS and VBR

Vivarium or Isolation Bldg. (188E) - Farrowing crate	69.84

FY26 Large Animal rates will be phased in for projects already scheduled.

NOTE: Species housing not listed will be developed based on housing and project needs.

Rates for large animal or one off projects will incur additional fees for setup/tear down/decontamination to cover technician time and materials.

**Projects that include Infectious or hazardous treatments may incur additional costs for disposal. PPE not provided by the Investigator will be provided by IVS and billed back to project. Time and materials for decontamination and cleanup are not covered by rates and will be billed separately based on cleanup and decontamination requirements.

General disposal of large animal carcasses is not included in per diem rates.
